Thank you very much for your participation in today's informational webinar regarding assumption under Clean Water Act Section 404 and consultation under Section 106 of the National Historic Preservation Act (NHPA). Attached is a copy of the presentation that was provided during the webinar.

If you would like to consult under the NHPA regarding the EPA's action on the State of Florida's request to assume administration of a Clean Water Act Section 404 program, please let us know no later than October 2, 2020. Consultation meetings will be held by phone or video conference. The EPA contact person for the NHPA consultation and coordination process is Mr. Kelly Laycock. In addition, Ms. Eve Zimmerman, the Water Division Tribal Consultation Advisor, is available to provide support. Please contact Mr. Laycock to schedule an NHPA consultation conference call or video conference as soon as possible to allow sufficient time for us to consider your input before our final decision.

Mr. Laycock may be reached at (404) 562-9132 or laycock.kelly@epa.gov, and Ms. Zimmerman may be reached at (404) 562-9259 or Zimmerman.Eve@epa.gov.
